▶ Train

ACC Liverpool is a short taxi or bus ride away from Liverpool Lime Street station and its direct services to London that take little over two hours. You can also transfer at Lime Street onto the underground Wirral Line trains to James Street station (10-minute walk) or catch the CityLink bus which runs every 12 minutes as a circular service around the city centre and stops at both Liverpool Lime Street and ACC Liverpool.

ACC Liverpool is just five minutes' walk from the Liverpool ONE retail development bus station, which also has long distance coach services. Local services connect to a shuttle bus service.

▶ Car

Less than 20 minutes from the UK motorway network and adjacent to Liverpool's main through road, ACC Liverpool is perfectly placed if arriving by car.

The Wirral

From the Wirral, Wales and the M53, stay on the M53 motorway to the end as it becomes the A59 into the Wallasey (Kingsway) Tunnel. Go through the tunnel and follow signs to Liverpool Waterfront.

From the South

Approaching from the south, leave the M6 at junction 21A and take the M62 to Liverpool. At the end of the M62 follow signs for Liverpool City Centre along Edge Lane, picking up and following signs for The Waterfront.

From the North

Approaching from the north, leave the M6 at junction 26 and follow signs for M58 Liverpool. Follow to the end of the M58 and then take signs for A59 Liverpool. Continue to follow Liverpool City Centre until picking up signs for the Waterfront.

Parking

Please note that the ACC's onsite car park, The Liverpool Waterfront Car Park, is currently closed. Alternative parking can be found [here](#).
